

# SAMLONGDA Plastic Industrial Co., Ltd.

Tel:+86 757 6336 9178 Fax:+86 757 8852 1200 Email: info@samlongda.com

## Important Tech. Data

### Hardness vs Temperature

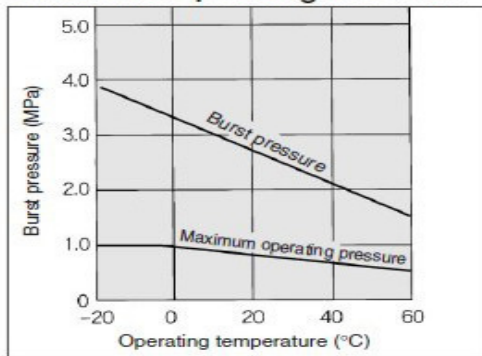

Comment:

Higher Temperature, Lower hardness!

### Working Pressure & Burst Pressure vs Temperature

**For flexible tubing  
Compact piping possible  
Burst Pressure Characteristics  
Curve and Operating Pressure**

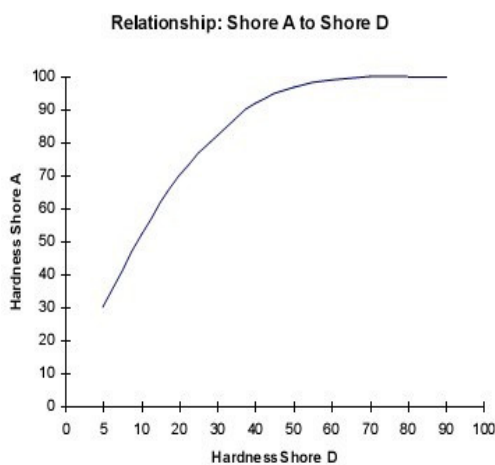

Comment:

Higher temperature, Lower burst pressure

### Comperision between Shore A and Shore D hardness
